

TEACHER'S DEMO

DESK

The **TEACHER'S DEMO DESK**

allows instructors the flexibility to ensure complete efficiency in the classroom. With a height-adjustable top and a lock-out control for safety, teachers can confidently lead their classes with lab demonstration, a traditional lecture or comfortably maintain a seated position to observe students during exams.

FEATURES

- + **Multipurpose Design** [supports computer technology, demonstration + standard instructor features]
- + **Height Adjustable** [sit to stand // 30-36"]
- + **Electronic Raise + Lower** [quiet push button height adjustment]
- + **Chemical-Resistant Work Surface** [epoxy resin countertop // perfect for demonstration]
