Workstations for EDUCATIONAL SCIENCE

MOBILE AXIS

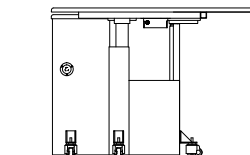

Great for all disciplines, from Chemistry and Biology, to Physics, Robotics and more! The mobile axis lab table combines lab and lecture into a single, dynamic learning space. And with new mobile capabilities, this ground breaking, multi-functional, electronically height-adjustable workstation can now be moved, shifted and spun for 360 degrees of mobile flexibility.

HEIGHT ADJUSTABLE from SIT-TO-STAND

MOBILE

AXIS

Workstations for **EDUCATIONAL SCIENCE**

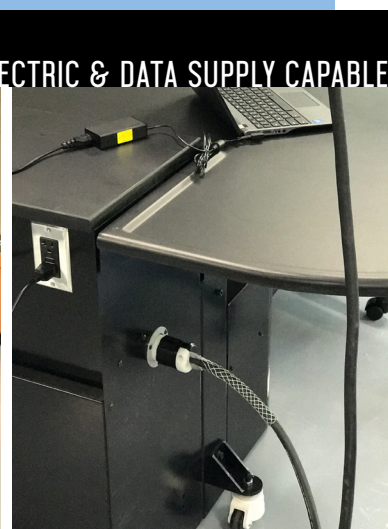

360 DEGREES OF ROTATION *mobile flexibility*

LAB TO LECTURE *height adjustability*

PLUMBING, ELECTRIC & DATA SUPPLY CAPABLE

MULTI-DISCIPLINE *versatility in one workstation*
